### **WHAT TO BRING**

1. Clothing: long pants and close-toed footwear (to protect against ticks and poison ivy)
2. Sun protection: sunscreen, hat and water (bring a refillable container – water is available at Base Camp)
3. Optional: rain gear (boots and jacket) – activities continue rain or shine and there can be wet areas if it has rained recently
4. Snacks (be sure to pack out all litter)
5. Camera, binoculars, magnifying glass, notebook, pencil, field guides, butterfly net

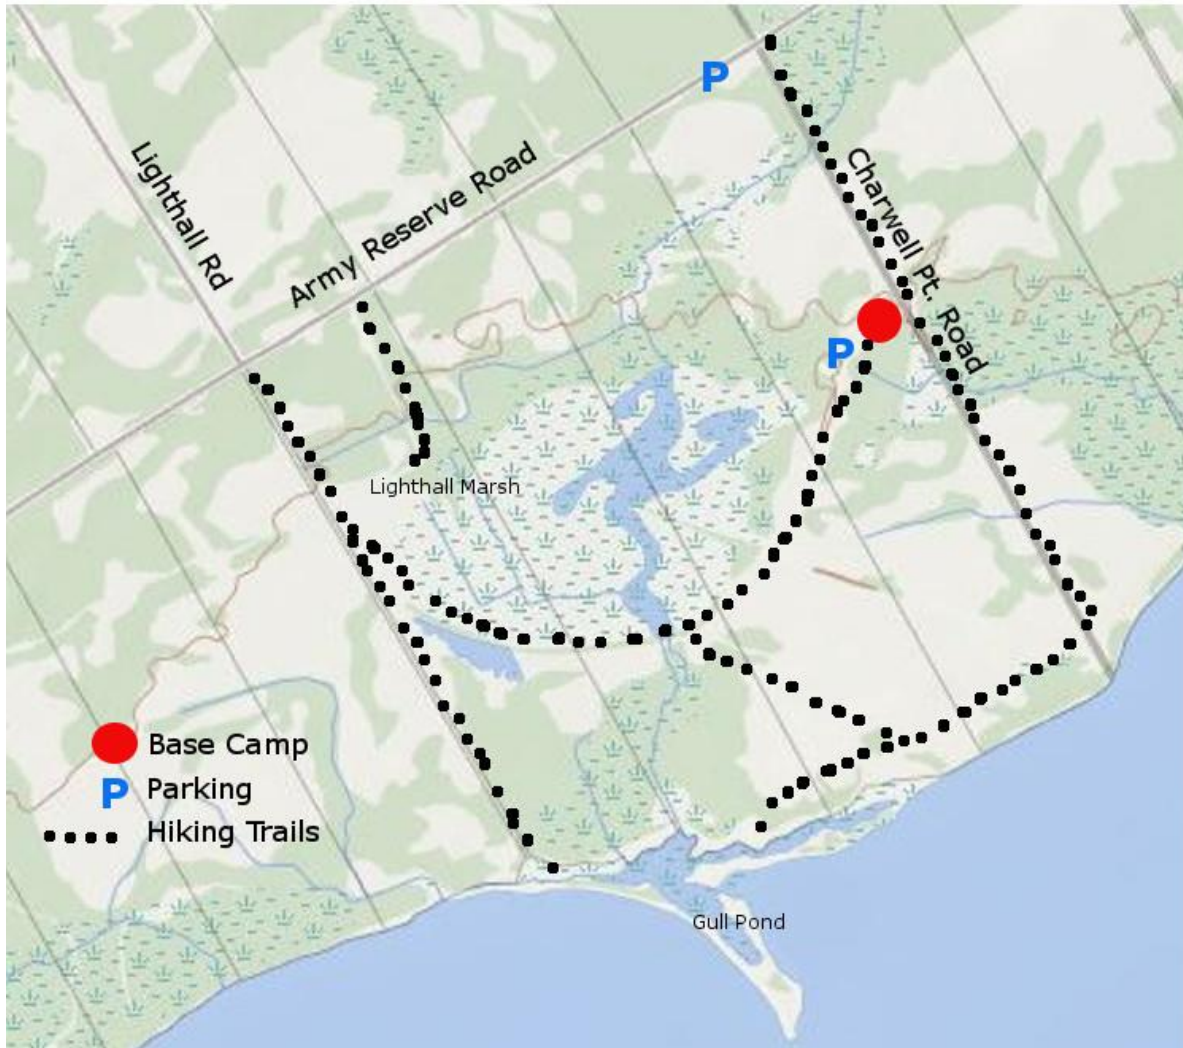

### **SAFETY**

1. Black-legged Ticks (which may carry Lyme disease) are present in Prince Edward County. Wear long pants and do a check after activities. More information on Ticks and Lyme disease can be found at [www.ontario.ca/page/lyme-disease](http://www.ontario.ca/page/lyme-disease)
  2. Poison Ivy is present in the area
- First Aid is available at the Base Camp but you may wish to carry a basic First Aid kit with you

### **CODE OF CONDUCT**

Be respectful of wildlife and do not harm animals or trample vegetation unnecessarily.  
Please do not bring pets to the BioBlitz.  
Please report any rare or species-at-risk to the experts at the Base Camp
