2018 Spring Birding Festival

**PRINCE EDWARD POINT BIRD
OBSERVATORY**

Festival Events

Saturday May 12 - World Migratory Bird Day

10 a.m. - Join us for **Swallow Day!** This free, family event begins at the Observatory with crafts and games led by educator **Cheryl Chapman** and is followed at 12 noon with a presentation by well-known birder **Terry Sprague**. This is a free event suitable for all ages

Saturday May 12 to Monday May 21

Visit the Bird Observatory and our hospitality tent for information, refreshments, recent sightings and banding demonstrations

Sunday May 13 – Sunday May 20 Big Week in the IBA

Be a part of our 'Big Week in the IBA'. Everyone is invited to pick up a checklist and map at the Observatory and submit lists of species observed throughout the South Shore IBA anytime during the week. A wrap-up will be held Sunday May 20 at noon at the Observatory with prizes awarded. Help us beat our total of 121 species found last year!

Monday May 21 – Birding the South Shore IBA

Join Peter Fuller as we explore the South Shore IBA starting at 5:30a.m. at Lighthall Marsh for wetland species and then visiting grassland, woodland and lakeshore, finishing in the evening listening to Whip-poor-will and owls.

Join us for part or all of the day – contact info@peptbo.ca for the schedule. This is a free event.
