

Dear Supporter,

Thank you for being a supporter of County Coalition for Safe and Appropriate Green Energy Naturally Green (CCSAGE NG). Today we want to invite you to "**Celebrating the County.**" an arts auction and dinner fundraiser to support our Judicial Review.

Two years ago, we initiated a Judicial Review to the Ontario Superior Court of Justice attacking the bias and denial of natural justice inherent in the 2009 Green Energy Act (GEA). As expected, the government and others in the renewable industry are strongly opposing this action.

We are grateful to our lawyer, Alan Whiteley, for offering his services pro bono. However, we are anticipating printing and court costs, as well as out-of-pocket expenses, in the coming year. Our members are continuing to help our friends in the Prince Edward County Field Naturalists (PECFN) and the Alliance to Protect Prince Edward County (APPEC) with their legal expenses incurred during their respective ERTs. ***Now we must do some fundraising of our own.***

Please join us on **Friday September 15th**, at **6pm** for "**Celebrating the County**" a **dinner and arts auction** (both silent and live) at **Waring Hall**. Tickets are \$75 each, and there will be complimentary bottles of wine at each table. You will be entertained by Blu Zone who will perform during the reception before dinner.

Tickets are \$75 each or \$600 for a table of 8. For tickets, please contact either:

**Anne Dumbrille at 613-476-5363 or annedumbrille@fastrackconsulting.com
Alison Walker at 613-962-6902 or alwalker@kos.net**

Please indicate any dietary restrictions when ordering tickets.

Thank you for your enduring support. We look forward to seeing you at the Waring Hall on September 15 for this memorable evening of fun entertainment!

Kind Regards,
