

South Shore Stroll

Saturday August 4 and Sunday August 5, 9 AM

A project of the
SOUTH SHORE JOINT INITIATIVE

Come and explore the South Shore from west to east with members of the **SOUTH SHORE JOINT INITIATIVE**.

Proceeding at a leisurely pace over two days and covering about five and a half kilometres each day, the stroll begins at the corner of Army Reserve Rd. and County Rd. 24 on Saturday August 4. On Sunday August 5 we will continue the stroll starting at Charwell Pt. Rd. and finishing at the corner of Hilltop Rd. and County Rd. 13.

Here's your opportunity to learn about the birds, bugs and plants that make the County's South Shore unique. Bring your lunch and join us for one day or both. Water and washroom facilities provided at key points.
