Sweet Turkish Bird Nests - 4-6 nests - for more adventurous cooking

Very thin Vermicelli - 100 g/3 oz.

2 pinches ground cardamon (opt.)

Honey - 3/4 cup

Salted butter - 2 Tbsp

Chopped almonds - 1/2 cup

Chopped Pistachios - 1/2 cup

Lemon juice - 1/2 tsp

Preheat the oven to 350F. Grease muffin tin or cupcake moulds with little butter.

Bring 3 cups of water to a boil in a big pan. Add cardamom and the vermicelli, without breaking it, into the pan. Cook for 2 minutes without stirring. Carefully strain excess water. Place the cooked vermicelli strands in each of the moulds forming circular pattern. Adjust with fingers and press the base and sides to create a “nest”. Add a small dollop of butter to the center of each nest. Bake the vermicelli cups for 15 minutes. Increase the temperature to 400F, bake 10 minutes more.

Remove and cool. Meanwhile prepare the nut filling. In a bowl, mix chopped nuts and half of the honey. Fill the nests with nut mixture. Prepare a honey syrup by adding 1/2 tsp lemon juice to the remaining honey. Drizzle nests all over with honey syrup. Serve!
